

# Titchfield Gardeners' Club

## membership renewal: due by 1st March

Dear member,

I hope you feel able to renew your membership this coming year. The Committee have tried very hard to maintain a service during these unusual times, despite ongoing restrictions and hurdles, and I hope you agree that it has been successful. We have had monthly zoom meetings since October and have had several safe events for the members. Understandably, this year we are unable to publish a future programme for the year, but I can assure you that Sarah Green is busy. For the foreseeable future meetings will continue via Zoom, and information will continue to be shared via e-mail, our monthly newsletter, Facebook and our revamped website which is due to be launched early March.

### **The programme for the first 3 months:**

3rd March - AGM

7th April - 'Early Spring Flowering Perennials': Rosy Hardy

5th May - 'You, Your Gardens and Climate Change': Pauline Weeks

24th May - Visit to Hilliers Arboretum, with guided tour

The full membership fee will remain at **£8**, and we are no-longer offering the £3 Associate membership. Membership cards will be delivered so as you can still obtain your 10% discount at St Margaret's Nursery.

### **Methods of payment:**

#### **a.) bank transfer:**

Lloyds Bank Account

Sort code: 30 98 90

Account number: 15789460

#### **b.) cheque:**

Made payable to Titchfield Gardeners Club.

Post to Fish House, Chilling Lane, Warsash,

Southampton, SO31 9HF

Any questions, please contact me.

**03/02/2021 — Tina Williams, Membership Secretary**
